The Evolution of the Alternative Asset Management Industry

IFI Global 2016 London Conference

Browns Courtrooms, 82-84 St Martins Lane, London WC2 – Tuesday February 23, 2016

Focussing on: Regulation & tax impact, governance, risk, ManCo platforms & domiciliation patterns

IFI Global's 2016 annual London conference covers the impact of regulation and tax changes (such as BEPS) on alternative managers as well as the growth of ManCo platforms and changes to risk supervision and governance following AIFMD's introduction. This event will also include the first presentation of results of a major research study conducted by IFI Global with managers around the world on future fund domiciliation matters.
